MONEY TO LOAN.

IF YOU WERE BUILDING A HOME IF YOU WERE BITLDING A HOME of your own, you would let the contract to the lowest bidder, providing he was a responsible man, and you knew that he would do the best possible work for the money. When we loan you the money to build the kind of a home you would like, that is all we insist upon, so far as the building of the house is concerned. It must be the best house possible for the money. Then we will agree to ask no more of you in making the payments than the rents would amount to, allowing a year's grace in case of sickness or misfortune.
